Our Private Beach on Georgian Bay

RESERVED FOR OUR GUESTS · FIVE MINUTES FROM YOUR CHALET BY CAR

A sandy stretch of Georgian Bay shoreline that isn't open to the public — **reserved for our guests**. Swim, paddle, run a beach-volleyball match, or push a kayak straight off the sand (rentals are available in the area, or bring your own).

Fire-pit and charcoal-BBQ areas are set up right on the beach — grill dinner on the sand, then watch the sun drop over the escarpment around a bonfire. For a corporate group, it's the closing evening that no boardroom can match.

From boardroom to bonfire — the team dinner your group will still be talking about next quarter. See it at tyrolean.com/private-beach
